(verse 1)

G(E)

Thought I was fine just living by myself

C(A2)

Until You said, "Come follow me"

Em(C#m) D(Badd4) C(A2)

I saw the faith in You that I had never seen

G(E)

I left all that this world had given me

C(A2)

Not knowing what You had in store

Em(C#m) D(Badd4) C(A2)

I finally realized that life was so much more

(chorus)

G(E)

Jesus, Your love; it came and saved me

Saved me

C(A2)

And in my heart I feel Your grace amazing

Em(C#m) D(Badd4)

How could I ever repay for what You did on that day

C(A2) D(Badd4)

The way You gave me my salvation story

(verse 2)

Thought I was doing everything just right

Trying to make it on my own

So unaware that I would wind up here alone

Then I could feel You start to draw me in

From all the places, Lord, that I have been

I found a love I never knew and You rescued me
